

Query

Match objects and describe similarities and differences.

Rank their similarity to the query.

Candidate 1

The overall architectural styles and building colors differ.

I do not find the blue street signs with white text and symbols.

There are similarities in the types of objects present, such as buildings, trees, traffic lights, utility poles, and street lamps. However, the specific designs and arrangements differ.

Candidate 2

The street signs are blue with white text and symbols.

The reference contains buildings with similar architectural features.

The description suggests that these objects are not only present in both images but also match in terms of location and design, indicating a high likelihood of being the same place.
