

Query

Match objects and describe similarities and differences.

Rank their similarity to the query.

Candidate 1

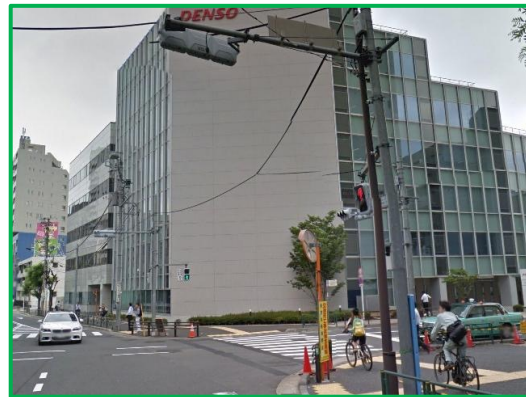

Buildings **do not have signage.**

Attachments to utility poles are different.

This candidate has utility poles, streetlights, and overhead wires in common but **the specific designs and attachments to the utility poles, as well as building signage, do not match.**

Candidate 2

The **building with the "DENSO" sign** is present in both images.

The utility pole is present **in both images with a similar structure.**

The presence of the **"DENSO" sign, the utility pole with similar attachments, the streetlight, and the pedestrian crossing sign** are strong indicators of the same location.
