

Query

Match objects and describe similarities and differences.

Rank their similarity to the query.

Candidate 1

There is **no corresponding sculpture** in the candidate.

The text and branding of the candidate are different.

Candidate 2

"HAZZYS" in white letters is present in both images.

"I DO" in black letters is present in both images.

It has a matching floor pattern, and similar storefronts with glass doors and display windows. **The differences in text on the signs are significant.**

It has a match for the **"HAZZYS" and "I DO" storefront signs**. Although the stanchions with red velvet ropes are not visible, **the presence of two specific storefronts** is a strong indicator of the same location.
